Gift Hampers

2026

A Tale of Two Celebrations

This Diwali, discover a celebration told through two distinct moods, the vibrant warmth of day and the enchanting glow of night.

Our festive hampers bring together the spirit of Bengal, the joy of gifting and the art of celebration, thoughtfully curated for the season.

PAINTED BENGAL

Inspired by Bengal's rich artistic heritage, Painted Bengal captures the warmth and colour of festive mornings.

A celebration of craftsmanship, tradition and togetherness, each hamper reflects the beauty of thoughtful gifting through vibrant hues, elegant details and a distinctly Bengali sensibility.

DIWALI AFTER DARK

As the sun sets, the celebration takes on a more intimate and indulgent character.

Diwali After Dark embraces the glow of diyas, the shimmer of festive lights and the quiet elegance of evening celebrations. Every hamper becomes an exquisite expression of luxury, with its finest details illuminated in the warm glow of Diwali.

Two moods. One celebration. A beautiful expression of the festive season.
