THE BENGAL COLLECTION

A refined celebration of light,
sweetness and the timeless spirit of Bengal.

This Diwali, Taj Ganga Kutir presents an exquisite collection of thoughtfully curated hampers, bringing together Bengal's culinary heritage, artisanal traditions and the luminous spirit of Deepavali.

Presented in sophisticated riverine hues inspired by the Ganga at twilight, each hamper is an expression of আনন্দ — Ananda, the joy of giving. Festive fireworks illuminate the collection with a sense of celebration, while every detail reflects the warmth, grace and cultural richness of Bengal.
