The Sommelier's Note

A wine list is more than a collection; it is a journey through vineyards, vintages, and vision. At The Taj Mahal, New Delhi, our cellar is a living library of stories-each bottle a chapter shaped by the land, the seasons, and the hands that crafted it.

From the sun-kissed valleys of the Old World to the trailblazing terroirs of the New, and from India's rising vineyards to timeless icons of France, our collection celebrates the artistry of winemaking. Let each pour speak to you-of heritage, of discovery, and of the simple joy of a well-matched glass.

Raise your glass to the stories waiting within.
