THE TEA LOUNGE

A quintessential contemporary colonial experience, this is the perfect setting to reminisce at the threshold of the future. Modern flavors meet regal interiors, as only freshly ground aromatic brews from India and around the world, find mention in the Tea Lounge-menu.

What-a good tea time experience without freshly baked cakes? The Tea Lounge houses a magnificent patisserie that is deliciously tempting to sample.

Lose track of time as our in-housevioloncello, keys in a few classice, while the sunlit lounge comes alive over chords and coffees. From leisurely tete-a-tetes to a royal setting that morphs perfectly into a venue for business meetings and corporate get together, the Tea Lounge is relaxed yet regal luxury at its finest.
